THE IMPERIAL CLIFTON

WELCOME

AN ICONIC VENUE STEEPED IN HISTORY. THE IMPERIAL AT CLIFTON. THE NEXT CHAPTER.

It all started way back in the 1900s with a mining community looking for a drinking hole...from there an iconic venue was born, known for its clifftop location and dynamic history.

For decades, the Imperial Hotel was an important part of the coastal township of Clifton, both for the local mining and rail community, as well as for visitors to the region until it closed its doors in the early 2000s.

Sitting idle for almost 20 years, the venue was reinvented as The Imperial at Clifton in 2021 – a bespoke hospitality venue encompassing a restaurant, café and events space accommodating small groups of 6 all the way through to large corporate groups of 120.

Embracing the historic roots, the venue brings to light the story of not only the iconic building, but also the town of Clifton. There's heritage features and historical interpretations everywhere you look – admire the original timber staircase, take a seat on the reinstated front terrace, cosy up to one of five original fireplaces and immerse yourself in the next chapter of this iconic venue.

LOCATION

STEP AWAY FROM THE DESK AND INTO AN ICONIC VENUE ON THE COAST...

Just 500m from the famed Sea Cliff Bridge, the iconic venue is located in the township of Clifton on the tourist road known as the Grand Pacific Drive.

Ideally located between Wollongong and Sydney and perched on the clifftop above numerous neighbouring coastal towns and beaches, the venue boasts wide-reaching views of the Pacific Ocean and the escarpment; making The Imperial at Clifton a unique destination for your next corporate event.

DRAPER - BUT NOT CO

Pax: 56 | First Floor
